INTERDEPARTMENTAL COUNTRY TEAM SEMINAR NOW FOUR WEEKS

Next Course: 15 July - 9 August at Foreign Service Institute

Beginning with the next running, the length of the Interdepartmental Country Team Seminar will be four weeks. Although the Seminar has been cut by one week, its objectives and general content remain the same.

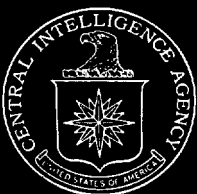

The Agency is requested to send eight representatives to each running. Candidates must be in Grades GS-13 or above. Nominations are to be sent on Form 136, "Request for Training at Non-CIA Facility," through the DDP/TRO (Room 3C-29) to the OTR Registrar who will make all arrangements for enrollment.

A briefing of Agency employees who attend the Seminar is given before each course begins. Participants are notified by the Registrar through their Training Officer of the time and place.

The course is known as the Interdepartmental Country Team Seminar (Problems of Development and Internal Defense). It is for senior government officials who are concerned with the countries designated as critical by the Special Group (C-I) and with other areas of the world where there is incipient or active insurgency. Presently CIA, USIA, AID, DOD, and the Department of State are participating. The subject-matter includes the environment of the developing countries,
